I'm on the Right Side

~I'm on the Right Side~

Though I used to be bad

Now it's clear that I'm good

I guess it took me awhile

Before I understood

Who exactly I am

What I was looking for

But now I've locked up the past

Behind presents great door

And now that I know

Where I'm meant to be

Now that I know

I can finally see

That the place where I am now

Was the right way to go

And the place where I am
Doesn't confuse me so
Because though I was
Brought up all alone
Not a friend in the world
Till from the sky one was thrown
But now that friends gone
And I am sad it's true
But I do have new friends
That I really love too
And now with these friends
We will win the fight
I just know we will
Because I'm on the side that's right.

End
file.
